<p>Rod, STATINTL</p> <p>Attached is a copy of the incomplete GSA project listing [] which we have previously discussed.</p> <p>Unfortunately, the RECD computer run listing does not contain GSA contract numbers and, therefore, it requires someone with a knowledge of the projects to match-up the GSA and CIA project identification numbers.</p> <p>Please add any available data and return the marked-up sheets so the master copies can be brought up-to-date.</p> <p>I'll send you a copy of the completed listing as soon as the typing has been completed.</p> <p>Att cc: OL/RECD</p> <p>Thanks for your help.</p> <p>OL/RECD/HEH [] (16 Dec 71)</p> <p>Steve SIGNATURE</p>
